## Shalom Family Medical Center Santiago Texacuangos, El Salvador

*Mission:* Harvesting In Spanish

*Staffing Needs:* Cardiology, Dentistry, Dermatology, Family Medicine, Emergency Medicine, Endocrinology, Family Medicine, Internal Medicine, Obstetrician/Gynecology, Otolaryngology, Pediatrics, Radiology

*Language Requirement:* Must be able to communicate independently in Spanish.

*Location:* Shalom Family Medical Center is located in Santiago Texacuangos, approximately 10 miles southeast of the international airport in San Salvador.

*Religion:* The majority of the population in El Salvador is Christian, with Roman Catholics and Protestants being the two major denominations. The number of evangelicals in the country is growing rapidly.

*Profile:* Maua Methodist Hospital houses approximately 200 beds with departments including Emergency, Maternity, Surgical, Pediatrics and in-patient wards, both men and women. Other services include physical therapy, dentistry, laboratory, ultrasound and Radiology, which includes a C-arm in the surgical theatre.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

## Hospital Shalom San Benito, Peten, Guatemala

**Mission:** New Covenant World Missions

**Staffing Needs:** Anesthesiology, Cardiology, Emergency Medicine, Endocrinology, Gastroenterology, General Surgery, Nephrology, Neurology, Obstetrics/Gynecology, Orthopedic Surgery, Otolaryngology, Pediatrics, Pediatric Surgery, Physical Medicine and Rehabilitation, Pulmonology

**Location:** Hospital Shalom is located 350 miles north of Guatemala City, in the region of Peten, approximately 60 miles from the Tikal ruins. This area is considered to be part of the Rain Forest.

**Religion:** The Roman Catholic Church prevails as the dominant church figure, followed by Evangelical Protestants and other religions including Judaism, Islam and Buddhism.

**Profile:** Hospital Shalom is a full-service hospital is open continuously for surgeries, in-patient medical and emergencies. It is a 22-bed facility that hosts out-patient clinics during clinic hours on the weekdays and half days on Saturdays. Diagnostic equipment is available in the form of an ultrasound machine, two x-ray units and an in-house lab and pharmacy.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

**Hôpital Ste. Croix (HSC)**  
**Léogâne, Haiti**

Denomination affiliation: Episcopal Diocese of Haiti

Having started as a small outpatient clinic in 1968, the hospital has grown to be the primary hospital in Léogâne, serving the neediest in the community. HSC is a 90-bed inpatient facility with three operating rooms, maternity care, a new dental clinic and medical care for both chronic and acute illness. MBF has partnered with HSC since 1982 supporting a significant number of construction and renovation projects on the campus. MBF continues to support the hospital through helping them develop and implement effective business plans and projects that will lead, ultimately to sustainability.

Beds: 90, Inpatient Visits: 1,816, Outpatient Visits: 17,856 Deliveries: 647

Staffing needs: Pediatric Surgeon, Orthopedic Surgeon, Ophthalmologist, OB/GYN, General Surgeon, Nurses

Contact Information:

Email: [hospitals@mbf.net](mailto:hospitals@mbf.net) and reference M3 in the subject line.

MBF is a Christ centered organization that works with local churches in developing countries and supporting partners in the U.S. to build sustainable medical ministries serving the most vulnerable.

## Haiti: Myan Healthcare Center, Special Needs Village Honduras: Medical Trips

Coreluv exists to bring the LUV of Jesus to orphans around the world by providing their six basic needs: clean water, proper food, **healthcare**, education, job skills, and a Christ-centered loving home.

- Our **Healthcare Center** is located in the rural village of Myan, 15 minutes outside of Gonaives, Haiti. Gonaives is a unique town known as Haiti's "Independence City." It is a 4-hour drive from Port-au-Prince, where the international airport is.
- Coreluv is a nondenominational organization that welcomes anyone and everyone willing to follow the command of scripture in Isaiah 1:17 to "Defend the Orphan."
- **Current Needs:** We have a dream list of equipment needed to continue equipping our clinic to be an excellent provider of healthcare services in our community. If you have any resources you would like to contribute, please contact us!
- **Ongoing Needs:** Healthcare providers with experience and skills in the following areas to assist our in-country and stateside staff:

Dentistry  
Occupational Therapy  
Public Health  
Technical & Logistical

General Medicine  
Optometry  
Radiology  
Women's Health

Laboratory Technician  
Physical Therapy  
Speech Therapy

- **Future Needs:** We will soon be building a Special Needs Village. This will be a forever home for the many special needs children in Coreluv's care. In order to give excellent care for the life of these children, we need additional monthly support.
- **Medical Trips:** We hope to start trips to Honduras very soon. On these trips, we will have the opportunity to host mobile clinics in remote villages. If you are interested in joining a trip, please contact us!

**For more information** on how you can get involved, please email [info@coreluv.org](mailto:info@coreluv.org) or check out our website [coreluv.org](http://coreluv.org). We hope to hear from you soon!

## **Hospital Loma de Luz** **Belfate, Honduras**

***Mission:*** The Cornerstone Foundation is located in Saucier, Mississippi. The ministry is Hospital Loma de Luz in Balfate, Colón, Honduras.

***Staffing Needs:*** Anesthesiology, Cardiology, Dentistry, Emergency Medicine, Family Practice, Internal Medicine, Obstetrics/Gynecology, Ophthalmology, Oral Maxillofacial Surgery, Plastic Surgery

***Location:*** Loma de Luz means the Hill of The Light. Hospital Loma de Luz is located 37 miles east of La Ceiba and is situated on a hill overlooking the shore of the Caribbean Sea. Due to rough road conditions the drive from La Ceiba to the hospital is approximately 1½ hours.

***Religion:*** Although 95% of the population is considered Roman Catholic, it is extremely unlikely that most of these will have read or heard even the most basic precepts of the faith.

***Profile:*** In January 2003, Hospital Loma de Luz saw its grand inauguration and has faithfully been serving the rural poor in Honduras ever since. Loma de Luz is a 30,000 square foot, 20 bed modern full-service medical care facility. Working through its Honduran Board of Directors (APAH), Hospital Loma de Luz is a rarity in the small world of Christian mission hospitals.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WORLD MEDICAL MISSION®**  
THE MEDICAL MINISTRY OF SAMARITAN'S PURSE

## **Jungle Hospital – Dyer Rural Hospital** **Rio Viejo, Atlantida, Honduras**

***Mission:*** Healing Hands Global, Inc.

***Staffing Needs:*** Dentistry, Family Medicine, Obstetrician/Gynecology

***Location:*** Hospital Shalom is located in Rio Viejo, approximately 20 km (12 miles) from the coastal city of La Ceiba. The drive is approximately 1 hour along a rural dirt road.

***Religion:*** Although 95% of the population is considered Roman Catholic, it is extremely unlikely that most of these will have read or heard even the most basic precepts of the faith.

***Profile:*** Jungle Hospital is a small Level II hospital consisting of 10 beds. Currently they have a dedicated Labor and Delivery ward, as well as Surgical and Recovery wards. Since their certification in 2015, they have performed over 35,000 patient consults at the hospital and the surrounding community.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

## **Hospital Evangelico** **Siguetepeque, Honduras**

*Mission:* Central American Mission

*Staffing Needs:* Emergency Medicine, Hematology, Ophthalmology, Radiology, Urology

*Location:* Hospital Evangelico is located in Siguetepeque, a town located in the central region of Honduras.

*Religion:* About 20% of the population call themselves Evangelicals. While predominantly Roman Catholic, there is complete freedom to preach the Gospel.

*Profile:* Hospital Evangelico was founded in 1949. It was founded by the Central American Mission (CAM International). In 1969 the hospital was transferred to national hands, becoming an autonomous national organization that is a fraternal member of the Association of Central American Churches of Honduras.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

## **Hospital Mision Tarahumara** **Samachique, Chihuahua - Mexico**

*Mission:* Mexico Medical

*Staffing Needs:* Anesthesiology, Dentistry, Emergency Medicine, Family Practice, General Surgery, Internal Medicine, Obstetrics/Gynecology, Ophthalmology, Orthopedic Surgery, Pediatrics

*Location:* Hospital Mision Tarahumara is located in Samachique, Chihuahua, in the heart of the Sierra Madre Mountains. It is situated at approximately 7000 feet above sea level.

*Religion:* Animism is the prevalent religion

*Profile:* Hospital Mision Tarahumara is a 25-bed hospital consisting of an outpatient area, dental suite, pharmacy, radiology, pediatric, men's and women's wards, birth center, emergency room and a sophisticated surgical area. Every year an estimated 10,000 patients are treated, 100 infants delivered and 300 surgeries performed. There is also a very active Community Health Evangelism program, which works in remote communities delivering healthcare and agricultural assistance, always interlaced with the Gospel.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

## Hospital Diospi Suyana Curahuasi, Peru

*Mission:* Diospi-Suyana, USA

*Staffing Needs:* Anesthesiology, Cardiology, Dentistry, Emergency Medicine, Family Practice, Gastroenterology, Internal Medicine, Ophthalmology, Orthopedic Surgery, Otolaryngology, Pediatrics

*Location:* The small town of Curahuasi, Peru is located in the Andes Mountains. Curahuasi is in the region of Apurimac, known as the poorhouse of Peru. Curahuasi is approximately 85 miles from Cusco, Peru.

*Religion:* The area is predominantly Catholic with 10% being evangelicals. The area also has a lot of superstition and animism carried over from old Incan religious traditions.

*Profile:* Approximately 750,000 people, predominantly indigenous, live within a three-hour radius of Curahuasi, Peru. Hospital Diospi Suyana offers comprehensive care to these descendants of the ancient Incas.

[www.diospi-suyana.org](http://www.diospi-suyana.org)

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

## **La Fuente Centro de Salud Integral Clinic** **Cusco, Peru**

**Staffing Needs:** Dentistry, Dermatology, Family Practice, Internal Medicine, Obstetrics/Gynecology, Ophthalmology

**Location:** La Fuente is located approximately 680 miles south east of Lima. The altitude is 11,200 feet near the Urubamba Valley of the Andes mountain range, located on the eastern end of the Knot of Cuzco.

**Religion:** The national religion of Peru is Catholicism with more than 90% of the population identifying as Catholic. There is a strong element of syncretism – the mixing of Andean beliefs with Catholicism. Among the university population there is a current of post-modernism that is observable.

**Profile:** La Fuente Centro de Salud Integral is a Christian non-profit healthcare clinic located in the city of Cusco, Peru. We offer services in the areas of ophthalmology, optometry, dentistry, adult medicine, women's health, pediatrics, psychology, physical therapy, clinical laboratory, and pharmacy. In 2015 our staff saw over 15,000 patients.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

# Asia

## Memorial Christian Hospital Malumghat, Bangladesh

**Mission:** Association of Baptists for World Evangelism, Inc. (ABWE)

**Staffing Needs:** Anesthesiology, Family Practice, Gastroenterology, Internal Medicine, Neonatology, Obstetrics/Gynecology, Orthopedic Surgery, Pediatrics, Plastic Surgery, Radiology

**Location:** Bangladesh is surrounded by India and shares a common border with Myanmar. The southeastern tip of the country is a beautiful area of rolling hills and large landscapes of huge trees and spreading, green rice fields. The hospital and housing complex are set in a beautiful forest overlooking a tidal stream from the Bay of Bengal. Malumghat is 300 miles southeast of the capital city of Dhaka.

**Religion:** 90% of the people are Muslim & 9% are Hindu. The remaining 1% of the people are either Buddhist, Animist, or Christian (about one-tenth of 1%). Spiritual ministry among these major groups is difficult but productive over the long term. The tribal people from the nearby hill country along the Myanmar (Burma) border are more receptive to the gospel.

**Profile:** Memorial Christian Hospital opened in 1966. Today, the hospital has approximately 70 inpatient beds, but often many more patients. Occupancy is usually 75-80%. The hospital is the major surgical resource for 10 million people in a country of 130-140 million people.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

## **United Mission Hospital** **Tansen, Palpa, Nepal**

Motto: We Serve, Jesus Heals

Size: 169 beds

Stats (2021-22): 101,642 outpatient visits, 11,838 inpatient admissions, 6,505 operations, 2,465 infant deliveries

Language Spoken: Primarily Nepali. Also Hindi, other tribal languages.

Needs:

Long term healthcare workers: Specifically Primary Care General Practitioners (Family Medicine, Internal Medicine, and Pediatrics). OB/GYN, General Surgery, Orthopedic also highly needed. Other vacancies include IT consultant, Pathologist, Imaging specialist, Rehab specialist, fund raising manager (for both UMN hospitals as we have large infrastructure projects planned for both hospitals),

Short-term: Difficult due to visa issues and work permits but occasionally General Surgery, Ortho, Surgical Sub-specialties.

Other: While providing care for large numbers of underserved and resource-limited patients and their families, a large part of our hospital's work involves training Nepali house officers and residents as well as training of paramedical and nursing staff.

Contacts: [js@momosandmountains.com](mailto:js@momosandmountains.com)

Hospital expat personnel Coordinator – [tansenpersonnel@hotmail.com](mailto:tansenpersonnel@hotmail.com)

## Tansen Mission Hospital Tansen, Nepal

*Mission:* United Mission to Nepal

*Staffing Needs:* Anesthesiology, Emergency Medicine, Family Practice, General Surgery, Internal Medicine, Obstetrics/Gynecology, Orthopedic Surgery, Otolaryngology, Pathology, Pediatric Surgery, Pediatrics, Physical Medicine & Rehab, Urology

*Location:* The United Mission Hospital Tansen (UMHT) is located in Bhusaaldanda. Tansen, the district headquarters and commercial centre of Palpa District, is a pleasant town built on the side of Shrinagar Hill. It lies in the middle hills of Nepal, at an altitude of 4593 feet, 187 miles west of Kathmandu, 75 miles from Pokhara and 50 miles from Bhairawa on the Indian border.

*Religion:* The major religion is Hinduism which accounts for about 90% of the population. There is also a significant Tibetan Buddhist population in Nepal. Christianity makes up less than 2% of the population.

*Profile:* Tansen Mission Hospital serves as a regional hospital and serves an area of over a million, extending into India. The facility now has 165 inpatient beds. The services offered include surgery, paediatrics, general medicine, obstetrics, gynaecology, and dentistry. We also have orthopedic surgeries and there are ultrasound, endoscopy and echo cardiography services. There is also an active government approved post-graduate training program for physicians in both internship and residency programs, in addition to clinical training for nurse anaesthetists and midwives.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

## Tebow CURE Hospital

### Davao, Philippines

Specialty: Orthopedics

Needs: Physical Therapist Volunteer

## **Kudjip Nazarene Hospital** **Papua New Guinea**

*Mission:* International Church of the Nazarene

*Staffing Needs:* Emergency Medicine, Family Practice, Gastroenterology, General Surgery, Internal Medicine, Obstetrics/Gynecology, Orthopedic Surgery, Pediatrics, Urology

*Location:* Kudjip Nazarene Hospital is located in the Waghi Valley of the Jiwaka Province of Papua New Guinea. This region is the broadest and most developed of the highlands.

*Religion:* Religious beliefs throughout Papua New Guinea are diverse and syncretic as they combine Christian ideas with traditional animistic beliefs.

*Profile:* Founded in 1967, Kudjip Nazarene Hospital is a 134 bed hospital which provides both inpatient and outpatient care. It is located in the Jiwaka Province of Papua New Guinea (PNG) and functions as both a local primary facility as well as a referral center. The location is rural; the nearest small town is about 15 minutes away, and the nearest significant commercial center is about an hour away. The hospital's purpose is to make Christlike disciples through excellent medical care, both in preventative and curative services.

You may find World Medical Mission Personnel at their booth, or you may contact:

PAN-AFRICAN ACADEMY OF CHRISTIAN SURGEONS

## **Kibuye Hope Hospital** **Kibuye, Burundi**

The hospital is currently small, with only 85 beds, but planned development will expand it to 300 beds with life-saving modern technology over the next ten years.

### **The NEED:**

- **Short and long-term faculty members are always needed. They provide training for residents and also provide leave for permanent faculty to get R&R.**
- **Prayers are needed for PAACS residents and staff.**
- **Financial resources are needed to train the residents as surgeons. The cost to train one PAACS resident is on average \$25K per year.**

For additional information, please go to [www.paacs.net](http://www.paacs.net) or you may also contact PAACS Chief Medical Officer for information on short-term and long-term faculty assignments at [keir.thelander@paacs.net](mailto:keir.thelander@paacs.net)

PAN-AFRICAN ACADEMY OF CHRISTIAN SURGEONS

## **Mbingo Baptist Hospital** **Bamenda, Cameroon**

The Hospital began in 1952 as a Leprosy Settlement. In 1965, the General Hospital became an up-shoot of the Leprosy Settlement. The Hospital provides comprehensive health care among which the following services stand out: General nursing, eye surgery, general surgery, orthopaedic surgery, Ear, Nose & Throat (ENT) surgery, surgical and internal medicine residency programs, vocational training and rehabilitation.

### **The NEED:**

- **Short and long-term faculty members are always needed. They provide training for residents and also provide leave for permanent faculty to get R&R.**
- **Prayers are needed for PAACS residents and staff.**
- **Financial resources are needed to train the residents as surgeons. The cost to train one PAACS resident is on average \$25K per year.**

For additional information, please go to [www.paacs.net](http://www.paacs.net) or you may also contact PAACS Chief Medical Officer for information on short-term and long-term faculty assignments at [kier.thelander@paacs.net](mailto:kier.thelander@paacs.net)

## **Mbingo Baptist Hospital** **Bamenda, Cameroon**

***Mission:*** Cameroon Baptist Convention

***Staffing Needs:*** Anesthesiology, Cardiology, General Surgery, Internal Medicine, Neurology, Neurosurgery, Obstetrics/Gynecology, Orthopedic Surgery, Pathology, Pediatric Orthopedic Surgery, Pediatric Surgery, Pediatrics, Plastic Surgery, Rheumatology, Urology

***Location:*** Mbingo Hospital is located in the Northwest Region of Cameroon. Approximately seven hours (by car) from the city of Douala.

***Religion:*** There are several different religions practiced throughout Cameroon, including Christianity, Islam, traditionalism, and Animism. Many people living in the Mbingo area confess to be Christian, but blend traditionalism with Christianity. The Fulani in the area are nearly all Muslim.

***Profile:*** Mbingo Baptist Hospital is a 310 bed facility (70) surgical, (40) orthopedics, (30) male medical, (34) female medical, (10) infectious disease/isolation, (20+6 isolation) pediatrics, (22) maternity, (46) Hanson's disease/ulcer ward, (4) semi-private and (8) adult private rooms.

PAN-AFRICAN ACADEMY OF CHRISTIAN SURGEONS

## **Soddo Christian Hospital** **Soddo, Ethiopia**

St. Luke's Healthcare Foundation sponsored Soddo Christian Hospital has been open since January 2005. It was built to reintroduce a Christian mission hospital to the region following the takeover of a SIM Mission Hospital. It is licensed for 199 beds and has 144 presently. There are four wards, one surgical, one maternity, one medicine and pediatrics, and one orthopedic. It is a general hospital and treats the full range of clinical problems found in a developing country. HIV is not yet a common problem in this rural area of Ethiopia.

### **The NEED:**

- **Short and long-term faculty members are always needed. They provide training for residents and also provide leave for permanent faculty to get R&R.**
- **Prayers are needed for PAACS residents and staff.**
- **Financial resources are needed to train the residents as surgeons. The cost to train one PAACS resident is on average \$25K per year.**

For additional information, please go to [www.paacs.net](http://www.paacs.net) or you may also contact PAACS Chief Medical Officer for information on short-term and long-term faculty assignments at [kier.thelander@paacs.net](mailto:kier.thelander@paacs.net)

## Soddo Christian Hospital Soddo, Ethiopia

**Mission:** Sponsored by the St. Luke's Healthcare Foundation, a non-profit organization based in Wheaton, IL.

**Staffing Needs:** Dentistry, Dermatology, Emergency Medicine, Family Practice, Gastroenterology, General Surgery, Hematology, Internal Medicine, Neonatology, Nephrology, Neurology, Neurosurgery, Obstetrics/Gynecology, Ophthalmology, Oral Maxillofacial Surgery, Orthopedic Surgery, Otolaryngology, Pediatric Surgery, Pediatrics, Plastic Surgery, Radiology, Urology

**Location:** Soddo Christian Hospital is 250 miles and approximately a six hour drive from Addis Ababa, the capital city. It is 7,000 feet in elevation.

**Religion:** Islam and Orthodox Christianity are the primary religions. Protestants make up about 15% of the population. Muslims have targeted Ethiopia and this area specifically. The local area around Soddo is largely Protestant from evangelism by SIM missionaries many years ago.

**Profile:** Soddo Christian hospital is a 120 bed facility with five wards (2) surgical, (1) maternity, (1) small ICU and (1) general/pediatrics. Current long term expatriate staff include (2) general surgeons, (1) orthopedic surgeon, (1) OBG, (1) pediatrician, (1) ER specialist and (1) geriatric specialist. There are currently (5) Ethiopian FPs and (5) African general surgery residents.

**WMM Placement Coordinator: Sandy Souto – [SSouto@Samaritan.org](mailto:SSouto@Samaritan.org)**

## **Bongolo Hospital** **Lebamba, Gabon**

*Mission:* Christian and Missionary Alliance

*Staffing Needs:* Family Practice, General Surgery, Internal Medicine, Obstetrics/Gynecology, Ophthalmology, Orthopedic Surgery, Pediatrics

*Location:* Bongolo Hospital is located in a lush, rural area of Gabon

*Religion:* Christianity, Islam and traditional indigenous religious beliefs

*Profile:* Bongolo Hospital is a 158 bed hospital, (31) adult surgery, (29) adult medical, (26) Maternity w/ (8) isolettes, (26) eye clinic, (22) Peds (medical and surgical), (5) emergency room, (5) recovery room and (4) ICU. It presently serves one third of the country's population. In addition to medical care, the hospital also offers a three-year training course for nurses and midwives and a community health program. Morning staff Bible study is 7:30 am to 8:00 am and is conducted in French. Bongolo is a Pan-African Academy of Christian Surgeons or PAACS program participant. Short term volunteers in surgical specialties (also anesthesia and radiology) should understand that *teaching* and not doing cases is their primary goal.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Lindsay Hancuff – [LHancuff@Samaritan.org](mailto:LHancuff@Samaritan.org)**

PAN-AFRICAN ACADEMY OF CHRISTIAN SURGEONS

## **Bongolo Hospital** **Lebamba, Gabon**

Today, the 158-bed hospital in the rural town of Lebamba includes busy Surgery, Adult Medicine, Maternity, Pediatrics and Emergency departments, as well as one of the busiest eye-clinics in Gabon. Full- service HIV, TB, and Dental clinics round out the services.

### **The NEED:**

- **Short and long-term faculty members are always needed. They provide training for residents and also provide leave for permanent faculty to get R&R.**
- **Prayers are needed for PAACS residents and staff.**
- **Financial resources are needed to train the residents as surgeons. The cost to train one PAACS resident is on average \$25K per year.**

For additional information, please go to [www.paacs.net](http://www.paacs.net) or you may also contact PAACS Chief Medical Officer for information on short-term and long-term faculty assignments at [keir.thelander@paacs.net](mailto:keir.thelander@paacs.net)

## **Baptist Medical Center** **Nalerigu, Ghana**

*Mission:* International Mission Board (IMB)

*Staffing Needs:* Anesthesiology, Emergency Medicine, Family Practice, General Surgery, Internal Medicine, Obstetrics/Gynecology, Pediatrics, Urology

*Location:* Nalerigu is approximately two hours from Tamale, Ghana.

*Religion:* The Mamprusis and other local people groups practice mostly African traditional religion or Islam. They have a strong belief in the power of ancestors and spirits.

*Profile:* Baptist Medical Centre is a 150 bed hospital located in the town of Nalerigu in rural northwest Ghana. There are approximately 10 hospital buildings and seven medical wards including medical, OB/GYN, surgical, ICU, pediatric, isolation and TB. There is currently no ER, but the hospital is open 24 hours a day to receive emergency cases. Approximately 400 patients are seen each clinic day (MWF).

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Kandi Burgess – [KBurgess@Samaritan.org](mailto:KBurgess@Samaritan.org)**

## Tenwek Hospital Bomet, Kenya

*Mission:* World Gospel Mission (WGM)

*Staffing Needs:* Anesthesiology, Cardiology, Dentistry, Emergency Medicine, Family Practice, Gastroenterology, General Surgery, Internal Medicine, Neonatology, Obstetrics/Gynecology, Ophthalmology, Orthopedic Surgery, Pediatrics, Physical Medicine & Rehab, Plastic Surgery, Radiology, Urology

*Location:* Tenwek Hospital is located 225 miles northwest of Nairobi and 5 miles east of Bomet.

*Religion:* Today, the main Christian denominations in Kenya are Protestant, which make up 45% of the country's religious composition. The Roman Catholic Church represents 28% of the population. The Sunni path of Islam is the religion of approximately 10% of the Kenyan population.

*Profile:* Tenwek is a 300-bed hospital with a wide range of surgical, medical, maternity and pediatric services. Tenwek Hospital is one of the largest mission hospitals in Africa. It provides primary health care to 600,000 Kipsigis people within a 32 kilometer radius and serves as a referral center for a much larger region. General wards range from 6 to 17 beds each.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Dayna Wright – [DWright@Samaritan.org](mailto:DWright@Samaritan.org)**

**WMM Placement Coordinator: Ben Rhoads – [BRhoads@Samaritan.org](mailto:BRhoads@Samaritan.org)**

PAN-AFRICAN ACADEMY OF CHRISTIAN SURGEONS

## **Tenwek Hospital** **Bomet, Kenya**

A 300-bed hospital in southwestern Kenya. While it serves a population of about 800,000 for primary health care, it is a surgery referral center for the entire region of more than 8.5 million people. The hospital has six modern operating theatres in a new surgery and educational facility plus additional OB/GYN, ophthalmology and endoscopy theatres. Patients present with a broad array of pathology, and more than 5,000 operations are performed annually. With an extensive medical library including internet services; laparoscopy; research in esophageal cancer and other areas; diagnostic radiology including CT scan; intensive care facilities; laboratory and cytopathology departments; and physical therapy services, Tenwek is a state-of-the-art surgical training facility in Africa.

### **The NEED:**

- **Short and long-term faculty members are always needed. They provide training for residents and also provide leave for permanent faculty to get R&R.**
- **Prayers are needed for PAACS residents and staff.**
- **Financial resources are needed to train the residents as surgeons. The cost to train one PAACS resident is on average \$25K per year.**

**PCEA Chogoria Hospital**  
**Chogoria, Kenya**

Denomination affiliation: Presbyterian Church of East Africa (PCEA)

PCEA Chogoria Hospital is a regional campus situated in the eastern foothills of Mount Kenya. Established in 1922 by a Scottish missionary, over 450,000 people are served by the hospital and its surrounding clinics. The extensive medical program at Chogoria offers both curative and preventative medicine, including dental and ophthalmic care. A network of more than 30 outlying community clinics is served by the Chogoria Hospital Community Health staff. In addition the clinical staff provides AIDS education and serves as a referral system for the hospital. MBF supports PCEA Chogoria Hospital through patient care programs, infrastructure upgrades and spiritual ministry.

Beds: 295, Inpatient Visits: 6,856, Outpatient Visits: 55,352, Deliveries: 1,034

Staffing needs: Pediatrician OB/GYN, Ophthalmologist, Nurses

Contact Information:

Email: [hospitals@mbf.net](mailto:hospitals@mbf.net) and reference M3 in the subject line.

MBF is a Christ centered organization that works with local churches in developing countries and supporting partners in the U.S. to build sustainable medical ministries serving the most vulnerable.

## **Chogoria Hospital** **Chogoria, Kenya**

*Mission:* Presbyterian Church of East Africa (PCEA)

*Staffing Needs:* Family Practice, General Surgery, Internal Medicine, Obstetrics/Gynecology, Pediatrics

*Location:* 3-4 Hours from Nairobi

*Religion:* Although the area has a Presbyterian foundation, many other denominations can be found in and around Chogoria.

*Profile:* Established in 1922 by Dr. Clive Irvine, a Scottish medical missionary, with a focus on preaching, healing, and teaching. In 1956, management of the hospital passed from the Church of Scotland to the Presbyterian Church of East Africa. It was rebuilt in the 1970's and presently the hospital has 295 beds and is the principal health care provider in Tharaka-Nithi District (with more than 45,000 people).

## **Medical Resource Building (MRB)**

### **Eldoret, Kenya**

#### **Mission Statement:**

*To enhance lives, bring dignity and improve health by providing excellent Christ-centered medical care which focuses on the body, mind and spirit.*

The Medical Resource Building (MRB) at the Open Arms Village in Kenya is designed to function as a Christ-centered basic medical and dental diagnostic and treatment center for the children, house parents, and employees in the village as well as to provide similar medical and dental care for nearby residents in the communities outside of Open Arms Village.

Our belief is that God is the ultimate physician and healer - Doctors treat but God heals- thus, the Medical Resource Building will be a beacon of light to those who still do not know Him. Providing comfort to the sick and wounded is an opportunity for Open Arms International (OAI) to show respect and compassion at a time in a person's life when they may be more open to accepting and following Christ.

#### **Medical Services:**

**Outpatient Care, Inpatient Care, Pharmaceuticals, Women's Healthcare, Men's Healthcare, Pediatric Healthcare, Dental Care, Optometry Care, Ambulance Services, Education**

**Services Not Provided** – major surgery, trauma services, cosmetic or reconstructive surgery/procedures, NICU/PICU, isolation, physical therapy & rehab, drug & alcohol treatment.

#### **Professional Needs:**

- Medical Doctors / Surgeons, Dentist/Dental Professionals (DDS, DMD, RDH, RDA)
- Nurses, Medical Students, Dental Students
- Other Medical Professionals (Therapists, Pharmacists, Radiology, Lab Technicians, etc.)

#### **For more information:**

THE MEDICAL MINISTRY OF SAMARITAN'S PURSE

## **Kapsowar Hospital** **Kapsowar, Kenya**

***Mission:*** Africa Inland Mission (AIM)

***Staffing Needs:*** Anesthesiology, Dentistry, Emergency Medicine, Family Practice, General Surgery, Internal Medicine, Neonatology, Obstetrics/Gynecology, Orthopedic Surgery, Pediatrics, Urology

***Location:*** Kapsowar Hospital is located in a remote area of northwestern Kenya about 60 miles from the Uganda border. Specifically, it sits at the edge of a small village within the Marakwat District of the North Rift Valley Region.

***Religion:*** There is a high percentage of Christians in Kapsowar with many different denominations represented. The Africa Inland Church is the largest Protestant denomination in the area. There is also a large Catholic presence as well. In recent years, Muslims have made some inroads into Kapsowar.

***Profile:*** Kapsowar is a small, district-level hospital which provides the majority of medical care to this remote region of northwestern Kenya. The 126-bed, multi-building hospital provides facilities for maternity, pediatric, medical, and surgical care. Mobile maternal and child health clinics travel to three centers up to 90 km (56 miles) away. Four dispensaries provide simple health care for the local people. The hospital has approximately 4,000 inpatient admissions and 15,000 outpatient visits per year.

## **AIC-CURE International Children's Hospital** **Kijabe, Kenya**

*Mission:* Africa Inland Church (AIC) – CURE International

*Staffing Needs:* Orthopedic Surgery, Pediatric Orthopedic Surgery

*Location:* AIC-CURE is located about 60 km north of Nairobi. The altitude is 7200 feet up on the edge of an escarpment overlooking the Great Rift Valley which extends from the Sea of Galilee to Zimbabwe.

*Religion:* The population is primarily Christian (Protestant and Catholic), although some of the more remote tribes practice animism and spirit worship. Muslims and Hindus comprise a smaller portion of the religious community.

*Profile:* AIC-CURE Children's Hospital is one of the leading specialty hospitals in East Africa. AIC-CURE is a 30 bed, pediatric orthopedic hospital devoted to serving the physically disabled children of Kenya as well as training new Kenya Orthopedic surgeons. The Hospital originally opened in 1998 as AIC Bethany Crippled Children's Centre of Kenya.

**PCA Kikuyu Hospital**  
**Kikuyu, Kenya**

Denomination affiliation: Presbyterian Church of East Africa (PCEA)

Kikuyu Hospital is the oldest mission hospital in Kenya, established in 1908 by Presbyterian Missionaries. The hospital is located 25 kilometers from the center of Nairobi and draws patients throughout the country for many of its specialty medical services. It provides general hospital services to the surrounding community of over a half a million people. Kikuyu has an outpatient clinic and six inpatient wards including male, female, maternity, orthopedic, pediatric and eye. Additional facilities include a laboratory, pharmacy, X-ray unit, three new OR's and a separate ophthalmic operating room. MBF's relationship with Kikuyu dates back to the mid 1990's when we secured an ASHA grant to construct and equip an orthopedic rehabilitation center. MBF continues to support Kikuyu Hospital through patient care programs, spiritual ministry, nursing management scholarships and infrastructure.

Beds: 229, Inpatient Visits: 4,959, Outpatient Visits: 33,535, Deliveries: 569

Staffing needs: Pediatric Orthopedic Surgeon, Nurses

## Embangweni Mission Hospital Embangweni, Malawi

Denomination affiliation: Church of Central Africa Presbyterian (CCAP)

Embangweni Hospital serves a population of 100,000 people from over 250 villages in a 35-mile radius in Northern Malawi. Embangweni is known for its provision of quality medical care with consistently high numbers of outpatients and a low inpatient death rate. The greatest problem continues to be the shortage of nurses and trained doctors. This 150-bed hospital also provides extensive outreach through 23 mobile clinics and 4 remote health centers, one of which is 40 miles from Embangweni. Much of MBF's support is focused on patient care, growing the hospital's spiritual ministry, and building out surgical and critical care capabilities. Embangweni Mission Hospital is part of the Countrywide Medical Network MBF is helping create in Malawi.

Beds: 150, Inpatient Visits: 4,048, Outpatient Visits: 44,690, Deliveries: 2,822

Staffing needs: Family Practice, Nurses

Contact Information:

Email: [hospitals@mbf.net](mailto:hospitals@mbf.net) and reference M3 in the subject line.

MBF is a Christ centered organization that works with local churches in developing countries and supporting partners in the U.S. to build sustainable medical ministries serving the most vulnerable.

## **Child Legacy International Hospital** **Msundwe, Malawi**

Denominational Affiliation: Christian/Non-Denominational

Staffing Needs: Pediatric and OBGYN physicians for long-term placement (2-year terms) and short-term mission trips.

Background of Hospital:

- Opened: June 2012
- Patients Treated: 186,861

Healthcare Services Provided:

- Primary Healthcare Services
- Maternal Care: Maternity Services began September 2015
  - 600 deliveries
- Ophthalmic Care: Eye Clinic opened in August 2016
  - 102 Operations and 251 other procedures
- Antiretroviral and Counseling

Phone: (830)331-9428

## Ekwendeni Mission Hospital Mzuzu, Malawi

Denomination affiliation: Church of Central Africa Presbyterian (CCAP)

This 250-bed hospital is one of the oldest mission hospitals in Malawi that serves a poor community of over 175,000 people. Since it began providing medical care in 1889, the facilities and services have steadily grown and developed. Preventative services include promoting and encouraging women to receive pre-natal care and to deliver their babies at the hospital where there are trained midwives and doctors. The hospital conducts trainings with chiefs and older women in the community to enlist their help in promoting hospital deliveries. This has helped to reduce maternal and child death across the board.

MBF has been partnering with Ekwendeni CCAP for many years. Much of MBF's support is focused on patient care, growing the hospital's spiritual ministry, and building out surgical and critical care capabilities. Ekwendeni Mission Hospital is part of the Countrywide Medical Network MBF is helping create in Malawi.

Beds: 250, Inpatient Visits: 4,485, Outpatient Visits: 30,477, Deliveries: 2,139

Staffing needs: OB/GYN, Nurses

Contact Information:

Email: [hospitals@mbf.net](mailto:hospitals@mbf.net) and reference M3 in the subject line.

[mbf.org](http://mbf.org)

**Nkhoma Mission Hospital,**  
**Nkhoma, Malawi**

Denomination affiliation: Church of Central Africa Presbyterian (CCAP)

Nkhoma Mission Hospital in Lilongwe is a large and vital regional institution providing a wide variety of medical services to its community. Working with an inpatient capacity of 260 beds, the hospital has five separate buildings for patient care including maternity, pediatrics, general medical, surgery, ophthalmology and a 24-hour TB unit. In addition, Nkhoma serves as a referral center for a satellite system of smaller hospitals and clinics. The hospital also has an extensive Public Health program including community clinics held weekly in several locations. Family planning is being taught to village representatives, who in turn provide information to fellow villagers. MBF helps support the surgical residency at Nkhoma, as well as medical services and spiritual ministry. Nkhoma Mission Hospital is part of the Countrywide Medical Network MBF is helping create in Malawi.

Beds: 260, Inpatient Visits: 11,626, Outpatient Visits: 42,237, Delivers 3,902

Staffing needs: Anesthesiologist, Critical Care Nurses

Contact Information:

Email: [hospitals@mbf.net](mailto:hospitals@mbf.net) and reference M3 in the subject line.

MBF is a Christ centered organization that works with local churches in developing countries and supporting partners in the U.S. to build sustainable medical ministries serving the most vulnerable.

PAN-AFRICAN ACADEMY OF CHRISTIAN SURGEONS

## **Nkhoma Mission Hospital** **Nkhoma, Malawi**

Nkhoma Hospital functions as a District Hospital with responsibilities for the preventive and curative health care of a defined catchment population. The 280-bed hospital provides broad outpatient and inpatient services in surgery, obstetrics, pediatrics, and adult medicine.

### **The NEED:**

- **Short and long-term faculty members are always needed. They provide training for residents and also provide leave for permanent faculty to get R&R.**
- **Prayers are needed for PAACS residents and staff.**
- **Financial resources are needed to train the residents as surgeons. The cost to train one PAACS resident is on average \$25K per year.**

For additional information, please go to [www.paacs.net](http://www.paacs.net) or you may also contact PAACS Chief Medical Officer for information on short-term and long-term faculty assignments at [keir.thelander@paacs.net](mailto:keir.thelander@paacs.net)

WORLD MEDICAL MISSION®

THE MEDICAL MINISTRY OF SAMARITAN'S PURSE

## **Hôpital Baptiste Biblique – Tsiko, Togo**

[www.abwe.org](http://www.abwe.org)

*Mission:* Association of Baptists for World Evangelism (ABWE)

*Staffing Needs:* Anesthesiology, Colorectal Surgery, Dentistry, Emergency Medicine, Family Practice, Gastroenterology, General Surgery, Internal Medicine, Neonatology, Obstetrics/Gynecology, Ophthalmology, Orthopedic Surgery, Otolaryngology, Pediatric Surgery, Pediatrics, Plastic Surgery, Urology

*Location:* Located on 32 acres at the foot of the Danyi Plateau, Hôpital Baptiste Biblique is a 2 ½ hour drive, on a paved road, from the Capital of Lome, Togo.

*Religion:* The Togolese people are very receptive to the Gospel, but many remain faithful to their pagan ancestry. Many who claim to be Catholic, Protestant, or Muslim, still hold on to much of their animism. Over half of the population is involved in some form of animism or spiritism.

*Profile:* Hôpital Baptiste Biblique (HBB) or Karolyn Kempton Memorial Christian Hospital (KKMCH) is a 50-bed hospital which opened in 1985. There are 8 to 10 beds in each of the male and female wards, an 8 to 10 pediatric ward, a 4 bed ICU, an infection ward, and an 8-10 bed maternity with a four-bed delivery area. There is one isolation room and 2 private rooms, a triage area and a busy outpatient clinic with an average of 18,000 outpatient clinic visits per year.

## **Chitokoloki Mission Hospital** **Chitokoloki, Zambia**

*Mission:* Christian Missions in Many Lands

*Staffing Needs:* Dentistry, General Surgery

*Location:* Chitokoloki Hospital is located in the Northwest Province of Zambia on the Zambezi River.

*Religion:* The majority of Zambians practice some form of Christianity. Many of these have not totally forgotten their traditional roots and still hold many of these beliefs. Islam and Hinduism are also practiced.

*Profile:* Chitokoloki Mission Hospital is a 200 bed hospital that serves a patient population of 150,000. The hospital facility includes four large wards and three smaller wards including a 25 bed pediatrics ward and a 25 bed OBG ward. There is also a 7 bed ICU, an ER, pharmacy, kitchen and a laundry area.

You may find World Medical Mission Personnel at their booth, or you may contact:

**WMM Placement Coordinator: Lindsay Hancuff – [LHancuff@Samaritan.org](mailto:LHancuff@Samaritan.org)**

## **Mukinge Hospital** **Kasempa, Zambia**

*Mission:* SIM (Serving In Mission)

*Staffing Needs:* Anesthesiology, Family Practice, General Surgery, Internal Medicine, Obstetrics/Gynecology, Pediatrics, Physical Medicine & Rehab

*Location:* Mukinge Hospital is located in the Kasempa and Mufumbwe districts in the Northwestern Province of Zambia. It is a two hour mission flight from Lusaka, the capital city.

*Religion:* The major religions of Zambia are Christianity, Indigenous beliefs, Hinduism and Islam. It is estimated that 25% of the population are Evangelical Christians.

*Profile:* Mukinge Hospital is a 200-bed referral facility that currently services 100,000 people. The hospital has seven inpatient wards, including an adult medical ward (male and female), an adult surgical ward (male & female), a pediatric surgical ward, a maternity ward (1,300 – 1,400 deliveries per year), a pediatric ward, an eye ward and a malnutrition ward. There is a busy outpatient department with 160 – 180 patients seen daily.

## **Macha Mission Hospital** **Southern Province of Zambia**

*Mission:* Brethren in Christ Church in Zambia

*Staffing Needs:* Internal Medicine, General Surgery, Orthopedics, OB/GYN, Pediatrics, Pulmonary, CRNA

*Location:* Macha is approximately 40 miles due west of Choma on the Namwala Road in southern Zambia.

*Religion:* The majority of Zambians practice some form of Christianity. Many of these have not totally forgotten their traditional roots and still hold many of these beliefs, causing much confusion. Zambian Constitution in 1992 declared Zambia to be a Christian nation. Many are affiliated with churches like Evangelical Church of Zambia and the Christian Brethren (CMML), and Brethren in Christ Church, but some are associated with other groups, including Roman Catholicism. Islam and Hinduism are also practiced.

*Profile:* Macha is a 208-bed hospital with medical and surgical services. There are 2 adult wards (1 male, 1 female), 1 Pediatric ward, 1 TB ward, 1 OB ward with 1 delivery room and 30 beds. Zambian midwives conduct all routine deliveries of which there are about 3000 deliveries per year. There is an operating theater with 1 OR for major surgery and 2 minor surgery rooms. Many admissions are for HIV related illnesses. Other admissions are for common internal medicine diseases like heart failure, diabetes, stroke, and hypertension.

**WMM Placement Coordinator: Lindsay Hancuff – [LHancuff@Samaritan.org](mailto:LHancuff@Samaritan.org)**

## **Karanda Mission Hospital** **Mt. Darwin, Zimbabwe**

***Mission:*** The Evangelical Alliance Mission (TEAM)

***Staffing Needs:*** Anesthesiology, Emergency Medicine, Family Practice, General Surgery, Internal Medicine, Orthopedic Surgery, Physical Medicine & Rehab, Urology

***Location:*** Karanda Mission Hospital is located about 125 miles north of Harare.

***Religion:*** It is estimated that between 60 and 70 percent of Zimbabweans belong to mainstream Christian denominations such as the Roman Catholic, Anglican, and Methodist Churches; however, over the years a variety of indigenous churches and groups have emerged from these mainstream denominations. While the country is overwhelmingly Christian, the majority of the population continues to believe, to varying degrees, in indigenous religions such as ancestor worship.

***Profile:*** Located in Mt. Darwin, Zimbabwe, Karanda is run by three American and Canadian physicians and one American Physician's Assistant. It is a 134 bed hospital and typically stays about 90% full. Zimbabwe will not license DO's.
