**ORGANIZATION NAME:** Africa Renewal Ministries/Renewal Healthcare

**SCOPE OF WORK:** Church planting/discipleship, Dental missions, Medical missions, Non-medical missions, Orphan care, Evangelism, Short-term service opportunities, Child Sponsorship

**ORG. MISSION, PURPOSE AND/OR CONTACT INFO:** RENEWAL HEALTHCARE is the medical ministry of Gaba Community Church, in Kampala, Uganda. Started in 2005 to provide medical care for the sponsored children of Africa Renewal Ministries, our micro-hospital, Wentz Medical Center, quickly grew to be a vital part of providing healthcare to the Gaba community. In addition to the base hospital, we operate four rural health clinics, and along with our medical outreach we treat over 30,000 people annually in Uganda, bringing not only physical healing, but the opportunity for spiritual healing as well. We care. Jesus Heals.

**ORGANIZATION NAME:** BackpackEMR / Binary Bridge, SBC

**SCOPE OF WORK:** Telemedicine, Dental missions, Disaster response/relief, Medical missions, Services/support for mission organizations

**REGION(S) SERVED:** Africa, Asia, Caribbean, Central America, Europe, South America, Oceania, North America

**ORG. MISSION, PURPOSE AND/OR CONTACT INFO:** You can improve the quality of care you give to communities with improved patient tracking for follow up care, informed diagnosis, and root cause analysis with a portable EMR designed and built specifically for medical missions - BackpackEMR. Additionally, you can improve donor confidence and increase donations with targeted impact metrics. Our tools also allow you to 'see' patients overseas during travel restrictions using Virtual Care. Your local partners can capture patient intake while offline, then send the data to the cloud where US-based doctors can review the patient charts using our NEW Web Portal. The feedback is sent back to the local team who can administer the prescribed care. BackpackEMR is an electronic medical records system built specifically for medical missions. It is easy-to-use for new volunteers (no training needed!), runs on rugged tablets, and is truly fun to use! We capture only the data you want to capture while on helping rural communities. BackpackEMR works in remote locations w/o electricity or the internet, and you can conduct a full clinic, where patient data is immediately shared with all of the BackpackEMR tablets. Find out more at <https://BackpackEMR.com>, or find us on Twitter @BackpackEMR

**REGION(S) SERVED:** Central America, Europe, North America, Asia, Africa

**ORG. MISSION, PURPOSE AND/OR CONTACT INFO:** Many volunteers travel to Nicaragua to work alongside missionaries. When it is time to return home, they often take back a bag of Nicaragua's renowned coffee. Café Las Misiones was created to sell coffee directly from a Nicaraguan farm with the majority of the profits benefiting the missions. Now Café Las Misiones is available on-line so wherever supporters are, they can continue enjoying Nicaraguan coffee while supporting their missionary. Café Las Misiones has also expanded beyond Nicaragua and now partners with missionaries and humanitarian organizations from around the world. Café Las Misiones coffee is from a fourth generation family farm located in the mountains of Jinotega, Nicaragua. The farm is committed to sustainable practices including the highest social, economic and environmental standards for our fellow Nicaraguans and natural resources. This specialty coffee has low acidity with light to medium body and boasts smooth, sweet and soft characteristics with citrus accents. Its unique quality is maintained since it is never blended with other coffees. Together we are using premium Nicaraguan coffee to support the inspiring work of missionaries and humanitarian organizations.

**ORGANIZATION NAME:** The Landing

**SCOPE OF WORK:** Dental missions, Human trafficking (rescue, care, legal, etc.), Local/Houston, TX area ministries, Medical missions

**REGION(S) SERVED:** North America

**ORG. MISSION, PURPOSE AND/OR CONTACT INFO:** At The Landing, we serve women, men, and children in Houston who have experienced the sex trade. Our hope is to share the love of Christ and help survivors find safety, empowerment, and freedom. Less than 1% of human trafficking victims are identified, and many victims don't even realize they're being trafficked. By serving anyone who has experienced the sex trade, whether or not they are an identified victim of human trafficking, we are therefore eliminating barriers to service and increasing victim identification. We work to identify a survivor on their journey, welcome them into a safe and loving community, and empower them to write the next chapter of their story through our Drop-In Center, Youth Advocacy and Outreach programs.

- Reach4Life, which has provided faith-based life skills programming in junior secondary schools since 2005.
- Metro World Kids, begun in 2022, which sends staff teams to primary schools to provide faith-based moral and life skills instruction.

Additionally, LBOM works with communities to establish nondenominational gospel churches and has planted "Village Churches" in 14 communities in Botswana and Namibia. LBOM also has operated The Life Centre in Maun since 2012, which provides a safe recreation place for young people and services for the community through its conference centre, studio, gym, and auditorium. The Life Centre also houses the Lead Girl Digital Centre, which opened in September 2022 to promote access and use of digital technologies by women and girls in hard-to-reach areas. LBOM's website is [www.lovebotswana.org](http://www.lovebotswana.org). It is supported by a US-based nonprofit organization, Lackey Ministries, which is headed by Linda Madeksho. **ORGANIZATION NAME:** MBF

**SCOPE OF WORK:** Medical missions, Services/support for mission organizations

**REGION(S) SERVED:** Africa, Caribbean

**ORG. MISSION, PURPOSE AND/OR CONTACT INFO:** MBF (the Medical Benevolence Foundation) is an international Christ-centered medical mission organization. MBF has served over 140 developing world hospitals, clinics, and nursing schools in 34 countries through a unique approach to medical mission. In the MBF approach, we work alongside medical and spiritual leaders to strengthen, equip and encourage existing indigenous medical ministries of the local church. A few key strategic initiatives underpin all of our work. One of these is forming a network from the existing medical ministries in a given country so they can leverage skills, supplies and expertise from each other. Giving the hospitals and clinics the ability to share surgical residents, specialty residents, training, and supplies is already a work in progress. This Countrywide Medical Mission model is well at work in Malawi and we are working to bring it to another ten countries in the next ten years. Another key MBF initiative is the Center for Global Nursing Development or CGND. The Center serves as a one-stop resource for nursing schools in lesser-resourced countries. Leveraging technology, volunteers, and partners, the Center is helping transform nursing education in countries like Malawi, Kenya and Haiti. Current projects include Critical Care training of nurses in mission hospitals. We are also continuing to add new mission schools to GENS (Global E-learning Nursing System) and support the dozen schools already using the platform. You can read more about MBF at [www.mbf.org](http://www.mbf.org) and about the work the CGND is doing at [www.mbf.org/cgnd](http://www.mbf.org/cgnd).
